FROM RIVERS TO

OCEANS

Reinventing Cruising

Join us as we usher in a new era of ocean cruising by taking the innovative thinking behind our award-winning river cruises and bringing it to the epic setting of the sea. This cruise experience is the one our river passengers inspired us to create. We have asked our guests, listened, observed—and now crafted the ultimate kind of cruise: *one focused on destinations.* And in 2015, we will take destination cruising from the rivers to the ocean with the maiden season of the beautiful *Viking Star.*

Our river cruises are designed so you experience destinations up close and in depth. Now, *we reinvented the nature of the ocean cruise: custom-crafting itineraries for more time in port, so you can really explore*—whether experiencing excursions that bring history and culture to life or discovering off-the-beaten-path adventures that enrich your journey.

On *Viking Star*, expand your horizons with like-minded explorers on a ship that is genuinely human in scale. She is designed with a comfortable intimacy to encourage lifelong friendships and an ease of discovery that larger ships simply cannot offer. So by journey's end, you feel more connected—to your fellow travelers and your destinations.

But of course, value for your money is also of great importance. As a company, we believe that a cruise should offer more than just transportation; that, like our river cruises, your fare should include all you need—from shore excursions to beverages, meals and wi-fi—not unpleasant surprises. That your ship should be built to *enhance your destination, not to be the destination*. And should you choose to explore more, you still have options to customize your experience, from our onboard Viking Concierge to optional excursions and privileged access behind the scenes. This is our vision; this is Viking cruising.

CRUISING FOR THE EXPLORER IN ALL OF US

Travel should be so much more than just a trip, and we believe the best way to understand a country is through enrichment. On our cruises, you truly *explore* your destination—through its food, culture, countryside and customs. Perhaps you accompany the ship's chef on a trip to a local market; go behind the scenes at a famous theater company; or even view private collections and hidden vaults at world-class museums.

We have a history of providing our guests a way to get below the surface, not just "check off" each port. *That's why our ocean cruises are centered around where you go, not just how you get there*—with hand-picked itineraries so you can immerse yourself in history, music, art, cuisine—everything about your destination. In addition, we include excursions led by knowledgeable local guides in every port of call. You learn about the lands through which you travel via enrichment lectures that bring history to life; through cultural adventures; in-depth pre-trip materials; and on-demand programming—all designed to help you experience the most from your travels.

Contact Viking Cruises for additional details and availability.

EVERY DESTINATION HAS ITS OWN FLAVORS… TASTE THEM ALL

ARTIST'S RENDERING, THE RESTAURANT

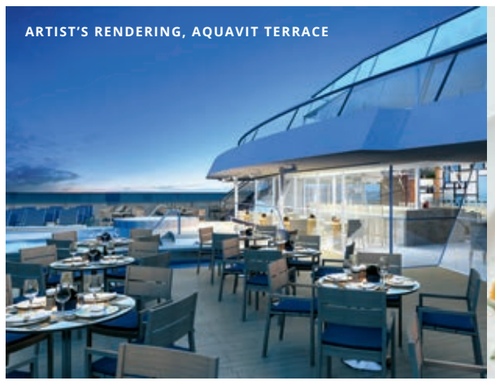
When you understand local food traditions, you gain insight into local culture. At Viking, we believe cuisine is as much a part of travel as seeing the sights; that's why we feature a sampling of regional specialties. On *Viking Star*, our restaurants are the perfect setting for your culinary discoveries, *offering you choices from American classics and heart-healthy options to authentic regional delights to deepen your connection to your destinations*. And since the ultimate "room" is the great outdoors, *Viking Star* offers *more al fresco dining experiences than any ship at sea*. Sample a Venetian risotto while you cruise through Venice; delight in a Turkish meze surrounded by the Bosphorus Sea, or enjoy gravlax as you glide through breathtaking fjords. Because part of your experience is dining in your destination —even when you're on board.

ARTIST'S RENDERING, WORLD CAFÉ

THERE IS A TIME AND PLACE FOR EVERYTHING—ESPECIALLY CUISINE

With diverse locations to choose from, every dining area on *Viking Star* has been carefully considered. Our crown jewel is The Restaurant, with our widest choice of culinary offerings. You'll want to return again and again because we created a daily-changing menu highlighting local cuisine so you can explore regional specialties. Your menu is ever-evolving to reflect the seasons, your destinations and locally sourced ingredients.

But you have other options as well. Perhaps one night you reserve an intimate experience at The Chef's Table for a tasting menu complete with wine pairings. Or make a reservation for the Tuscan experience of The Italian Grill to try antipasti or a steak grilled in the Florentine tradition. Wherever you find yourself on board, our restaurants offer menus that incorporate ingredients freshly gathered from local markets, and an authentic local feeling. And of course, our Viking Concierge is always on hand to recommend a great local restaurant.



ARTIST'S RENDERING, AQUAVIT TERRACE

"THE PLEASURE OF THE TABLE BELONGS
TO ALL AGES, TO ALL CONDITIONS,
TO ALL COUNTRIES, AND TO ALL AREAS;
IT MINGLES WITH ALL OTHER PLEASURES,
AND REMAINS AT LAST TO CONSOLE
US FOR THEIR DEPARTURE."

– JEAN ANTHELME BRILLAT-SAVARIN

But there are even more dining choices

On *Viking Star* you have options beyond our traditional restaurants. Indulge in Scandinavian specialties at the Viking Deli in the Explorers' Lounge surrounded by two-story ocean views. Or when travel whets your appetite, visit the World Café where a wide variety of cravings can be fulfilled. Like *Viking Star* herself, choice is the theme of the day—from European favorites to Chinese specialties to Japanese sushi or American classics. Here you can choose from a variety of freshly prepared dishes or meats hand carved to order, and watch our chefs at work. Dine al fresco on a warm summer night, or inside on a cooler day—surrounded by fantastic views. Or for a change of pace, since part of your journey is about expanding your horizons, don't forget to try our onboard cooking school and intimate restaurant, The Kitchen Table.

And for those times when you would rather unplug in your comfortable stateroom and just relax, there's no-fee room service. So, throughout the ship you'll find casual dining options to fit your every mood, from high tea at the Wintergarden or seafood at the al fresco Aquavit Terrace—the choice is yours.

YOUR DESTINATION IS NEVER TOO FAR AWAY

When we set out to reinvent the ocean cruise, it meant reimagining the ship herself—from inside out—with graceful rooms designed for your comfort. Every detail on board has been carefully thought through to bring the cultural riches of the world to you. Because we provide you with the most possible time to explore in port—and by law, ships' casinos must be closed while in port—we realized an onboard casino would rarely be open, so instead we focused on creating spaces to inspire and refresh you along your journey.

ARTIST'S RENDERING, VIEW TOWARDS AQUAVIT TERRACE

For example, the dramatic lobby, where you can enjoy musicians playing regional and classical music over handcrafted cocktails—the perfect place to mingle with new friends or peruse the thoughtfully curated library to learn more about your next port. Or the Viking Piano Bar, an elegant destination where you can immerse yourself in intimate music. Truly, *Viking Star* is designed to maximize your experience of the destination. Revolutionary? Perhaps. But it is really just reinstating the original intent of the ocean cruise—to bring people up close to new destinations in comfort.

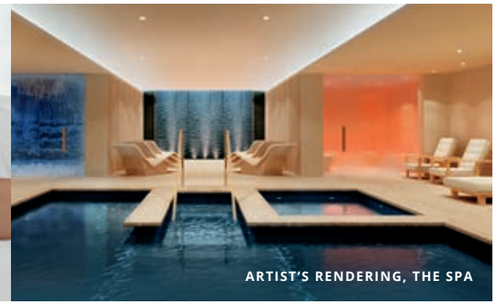
FROM POOL TO SPA, A SHIP DESIGNED FOR COMFORT AND SERENITY

ARTIST'S RENDERING, INFINITY POOL

Since every part of *Viking Star* was crafted to maximize your destination experience, we didn't just create a pool, but instead made it a setting for exploration. Here, you find the first oceangoing infinity pool, designed to give you a sense of swimming right in your destination—imagine being surrounded by the sun dancing over the Mediterranean as you relax in this glass-backed pool cantilevered off the ship's stern. In the evening, the space transforms into the Aquavit Terrace, where you can dine with music playing and watch the world unfold.

ARTIST'S RENDERING, MAIN POOL

Then there's our main pool, complete with a retractable roof, so you can always enjoy the perfect swim even if the weather should be less than perfect. And on star-filled nights, gather friends for an outdoor movie as you sail under a canopy of stars.

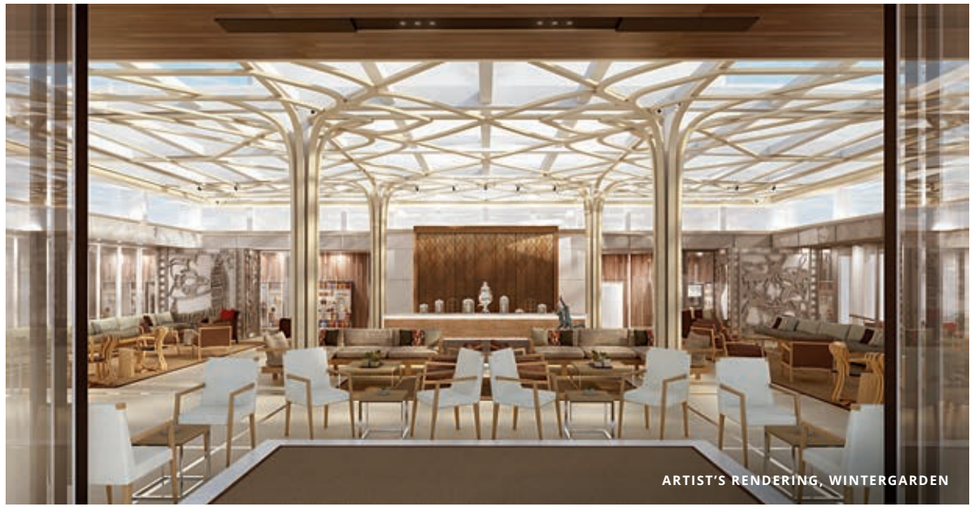


ARTIST'S RENDERING, THE SPA

We also reinvented the spa experience; drawing upon the holistic wellness philosophy of Nordic culture. To stimulate your circulatory system visit our snow grotto where snowflakes gently descend from the ceiling through chilled air; then invigorate yourself in the sauna following a centuries-old Nordic tradition. And not only is *Viking Star* designed for your comfort and serenity, she also is kind to the earth, with a hybrid engine; streamlined hull and bow designed for maximum fuel efficiency; solar panels; and equipment that minimizes exhaust pollution and meets the strictest environmental regulations.

ARTIST'S RENDERING, EXPLORERS' LOUNGE

MINGLE WITH LIKE-MINDED VOYAGERS



ARTIST'S RENDERING, WINTERGARDEN

Step into the Explorers' Lounge and Wintergarden

Your Viking cruise is a journey to new discoveries—and your ship is designed to enhance those discoveries—not only in port, but also on board. The notion of civilized camaraderie in elegant surroundings is what inspired us to create the Explorers' Lounge where fellow travelers can share their latest adventures. It's the perfect setting to celebrate firsts, whether glimpsing your first fjord or savoring aquavit. Here, from expansive double-height windows, you can take in the spectacular approaches to the Aurlandsfjord or the Golden Horn of Istanbul. Comfortable and elegant, this is the place to unwind over a chilled pint from our craft beer selections.

There may also be times when you yearn for serenity, and that's the perfect occasion to visit the Wintergarden. Even here, our focus is on enrichment, as this is the place to relax and witness a calming tea ceremony or indulge in an afternoon tea service, complete with hand-selected teas, finger sandwiches and pastries.

A GENUINE WELCOME ABOARD

Whether you have traveled with Viking on the rivers or not, you will feel at home from the moment you board *Viking Star*. You may hear a ‘welcome’ or a ‘welcome back’; in either case, you will recognize the genuine friendliness of the greeting and you will experience the thoughtful service for which Viking’s staff is known, from the moment you plan your journey to the time you return home.

Viking’s success comes from our people and has always been rooted in the personal service they provide. The bartender who remembers the way you like your favorite drink, or the concierge who helps you in finding the perfect gift for a loved one back home—everyone is passionate about ensuring that you have an exceptional journey. Our knowledgeable, experienced Swiss management oversees your entire onboard experience and hand picks each member of our onboard team. Rigorous training and inspiring leadership make Viking the employer of choice, which allows us to select the very best people to care for you—from stateroom stewards to the Captain. And we are so confident of exceeding your expectations that we back up our promise of excellence in service with a guarantee—the only cruise company to do so. See our website for details.

Day 1 & 2. Stockholm. Cosmopolitan archipelago. Begin your cruise in Stockholm's stunning archipelago, nestled where Lake Mälaren's cobalt waters meet the Baltic. Take in this amazing city spread over 14 islands and its 13th-century old town, *Gamla Stan*, with German-influenced architecture. Consider a trip to the Vasa Museum to see an amazingly preserved 17th-century ship, or indulge in a *smörgåsborg* complete with traditional smoked salmon. Or, opt for a trip to Skokloster Castle located in the Swedish countryside.

Day 3. Helsinki. Walker's delight. Today, visit Helsinki, "White City of the North," and view a colorful market along with key sights like Uspenski Cathedral, largest orthodox church in Western Europe. Another highlight is the spectacular Temppeliaukio rock church hewn from solid granite and topped with a copper roof. Optionally, explore the imposing Suomenlinna Fortress, a UNESCO World Heritage Site, or try *korvapuustits*—Finnish cinnamon buns—in a street café.

Day 4 & 5. St. Petersburg. Museums. Palaces. Royal retreats. Said to be "built on bones" because of the many workers who died during construction, this amazing city was wrested from the wetlands by Peter the Great. Your included tour takes you through this metropolis to see St. Isaac's Cathedral, Palace Square, the Peter and Paul Fortress, Nevsky Prospekt and more. Your overnight stay allows time to explore on your own, or to choose an optional tour of the Hermitage or an evening at a private concert.

Day 6. Tallinn. Medieval lanes and marzipan dreams. Today take a sweet tour of Tallinn, birthplace of marzipan. One of the best preserved medieval old towns in all of Northern Europe, Tallinn's Old Town is a UNESCO World Heritage Site, with picturesque cobbled streets, red rooftops and beautiful views of the sea. Stroll the web of the Lower Town's narrow 13th-century streets, passing the Great Guild House, House of the Brotherhood of the Blackheads, and Town Hall (1404). You can even explore Katarina (St. Catherine's) Passage—lined with handicraft workshops.

And tonight, be sure to try a regional specialty in the main dining room, or take in a recent movie in one of our three theaters—two indoors and one under the stars at the main pool.

Day 8. Gdańsk. City of amber and gold. Gilded *Goldwasser*. Glowing amber. Gothic cathedrals. Your stop in Gdynia is your gateway to Gdańsk—one of the richest cities in the Hanseatic League. Stroll the remarkably restored old town with its mix of Gothic, Renaissance and baroque styles. Perhaps you'll indulge in the traditional *pierogi* dumplings or a glass of gold-flecked *Goldwasser*—a liqueur created here in the 16th century. Or, opt to explore the medieval Teutonic stronghold, Malbork Castle, the world's largest brick castle and a UNESCO World Heritage Site.

TEMPLES. RUINS. UNFORGETTABLE LANDSCAPES.

ONE GLORIOUS JOURNEY

RIALTO BRIDGE, VENICE, ITALY

DUBROVNIK, CROATIA

ROMAN ARENA, PULA, CROATIA

Day 1. Venice. The finest drawing room in Europe. Begin your cruise in the fabled floating city. Soak up the sheer magnificence of St. Mark's Square, which Napoleon called "the finest drawing room in Europe," en route to Doge's Palace, once the seat of government for the Venetian Republic and Courts of Justice. On this included tour, you will also visit St. Mark's Basilica. As an option, venture to the Lamborghini factory for a tour of the production facility, or, as we stay until midnight, choose an evening gondola ride through the city's historic canals.

Day 2. Pula. Remains of the Roman day. As they tended to do, the Romans left their mark on Pula in no uncertain way. We have curated a walking tour that will highlight its rich past, starting with a visit to the world's most complete Roman amphitheater. You will also venture past the well-preserved Arch of Sergii and the Temple of Augustus. Or, consider an olive oil tasting at a family-owned farm in the village of Vodnjan or take a scenic drive to the hill town of Istria to savor their famous truffles.

KOTOR BAY, MONTENEGRO

Day 3. Dubrovnik. Foe of Venice. Friend to explorers. George Bernard Shaw declared, "Those who seek paradise on earth should come to Dubrovnik." Your tour takes you on a drive high up to catch the magnificent views of the city and countryside. Descend to the coast and enter the city on foot through the historic Pile Gate, passing by the Sponza Palace, the 15th-century Onofrio's Fountain, and stop inside the Dominican Monastery to see Renaissance paintings. Or consider exploring the famed Dubrovnik Riviera with a cruise along the Lapad Peninsula.

Day 4. Kotor. Gloriously off the beaten path. Today, traverse the medieval streets of this historic Montenegro town with a walking tour. Pass by Venetian walls constructed in 1420, en route to the Cathedral of Saint Tryphon, built in 1166. Notice its mismatched towers, the result of an earthquake and a budget too small to rebuild properly. Included on this tour is a visit to the Maritime Museum, which documents Kotor's heritage. As an option, venture to the small towns of Budva and Sveti Stefan, the latter once a hideaway for the rich and famous.

Day 5. Relax at sea. On this day at sea, indulge in the endless comforts of *Viking Star*. Relax on board with a swim in our breathtaking infinity pool, pamper yourself with a beauty treatment at the Nordic-style spa or be inspired by one of your next destinations and take a cooking class at The Kitchen Table. Tonight, watch the sun dip into the sea from a comfortable chair in the Explorers' Lounge in the company of newfound friends.

THE CALDERA, SANTORINI, GREECE

Day 6. Santorini. A surreal landscape belies a volcanic past. Gliding toward Santorini, prepare for its spectacular caldera and looming cliffs. Once anchored, board a local boat and cruise over to the volcano on Nea Kameni island. Your invigorating walk to the top will be rewarded with majestic views. You will also visit the hot thermal springs of Palea Kameni island on this included tour; there, enjoy the most remarkable swim of your life. Or, head to Fira for its charming shops, lively tavernas and cafés; or over to Oia to view a tranquil sunset.

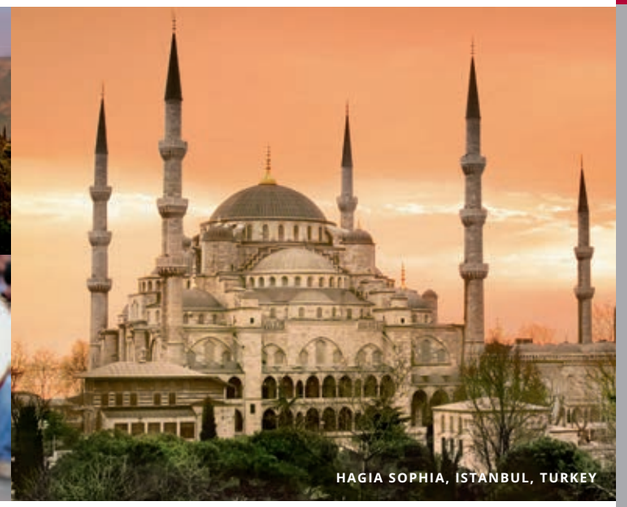
Day 7. Athens. Center of the ancient universe. Today, you will journey into ancient Athens via a panoramic drive, passing the promenade at Mikrolimano as you enter the city's heart. There, you will see the Hellenic Parliament, Constitution Square, the Panathenaic Stadium, the Temple of Zeus and the iconic Acropolis. Explore the bustling Plaka district at the base of the Acropolis. Or as an option, explore the interior of this UNESCO-listed Site; climb 80 steps to the entrance and glimpse an unforgettable view of the Parthenon at its peak.

Day 8. Ephesus. Greek and Roman outpost. Turkish delight. Explore one of the best-preserved cities of antiquity, Ephesus. On this included tour, you will walk among the extensive ruins, including the Temple of Hadrian, the 25,000-seat Greek Theater and the impressive Roman Library of Celsus. You will also have free time to shop the craft stalls at the city's Lower Gate. Or, consider a sojourn to the beach at Pamucak; there, revel in an exhilarating horseback ride along the beach, discovering Turkey's natural beauty. You will also have time for a relaxing swim.

TEMPLE OF HADRIAN, EPHESUS

ACROPOLIS, ATHENS, GREECE

JANISSARY BAND, ISTANBUL



HAGIA SOPHIA, ISTANBUL, TURKEY

Day 9 & 10. Istanbul. Ancient crossroads of the world. Soak up the wonderful vistas of Istanbul with a sight-filled driving tour, including a stop at Hagia Sophia. Take note of this former church and mosque's exquisite mosaics and frescoes, glimmering under its dome. Your included tour will also take you through the labyrinthine lanes of the Grand Bazaar, the world's largest covered market, and to a shop to see how famous Turkish carpets are made. Optionally, survey all of the monuments of Istanbul from the water with a scenic cruise along the Bosphorus.

FREQUENTLY ASKED QUESTIONS

As you start planning your ocean cruise you may want to know more details, so below are answers to our most frequently asked questions. If you do not see the information that you need here, you can also visit the About Your Trip section of our website at vikingcruises.com, contact your travel agent or call Viking toll-free in the U.S. and Canada at 1-855-8-VIKING (1-855-884-5464).

Do I Need Travel Protection? While travel protection is not required, we do recommend it. You may purchase it on your own, or we provide a cancel-for-any-reason option. See next page.

Is There a Dress Code? During the day on board and ashore dress is casual and comfortable, including shorts, jeans, and sturdy shoes for walking tours. Swimsuits, brief shorts, cover-ups and exercise attire should be reserved for poolside and in the gym. For evenings, while there are no "formal nights," the recommended onboard dress is Elegant Casual for most restaurants, performances or other special events. Suggested attire for ladies includes a dress, skirt or slacks with a sweater or blouse; for gentlemen, trousers and a collared shirt. A tie and jacket are optional, but not required. Dinner in The World Café remains comfortable and casual, with daytime dress deemed appropriate.

Can You Accommodate My Dietary Restrictions? In most cases we can. Every meal has vegetarian options and our chefs will make reasonable efforts to accommodate requests. Guests requiring special diets—low-salt, diabetic, gluten-free and low cholesterol—must alert us 90 days prior to departure and inform the Maître d' when on board.

Can I Upgrade the Complimentary Beverages? Yes. Viking offers its Silver Spirits beverage package that features upgrades to our complimentary wine with lunch and dinner as well as additional cocktails. Ask for details when making your reservation.

How Do I Book Dining Reservations? Dining reservations are available starting 120 days prior to departure for each venue based on stateroom category and can be made online prior to departure or on board. For your top choice and priority reservations, consider staying in a Suite or Junior Suite. For more information see the detail pages of the stateroom section on page 10.

How Do I Pre-Book Shore Excursions? Depending on your stateroom category, shore excursions may be reserved online beginning 90 days before your cruise sails.

Is Viking Star Non-smoking? All Viking ship interiors, staterooms, and verandas are non-smoking. Each ship has an outdoor smoking area.

What Is The E-Check Program? Viking offers savings when you pay via e-check (an electronic debit to your checking account); a quick, convenient way to pay for your trip that is as easy as providing your credit card number. Ask for details when you book.

echeck

Do I Need a Visa To Travel With Viking Oceans? Blanket visas through Viking Cruises cover only our shore excursions, not trips you may decide to do on your own. If you are traveling with us to Russia and plan to spend time on shore outside of a Viking-provided excursion, you will need a visa. A valid passport is required to make these arrangements. It is the passenger's responsibility to determine passport and visa requirements for their cruise itinerary, as well as to ensure they are in possession of all required visas and travel documents prior to sailing. As a service to our U.S. and Canadian guests, visas can be arranged through an independent third-party service; just go online for a visa kit. For all other guests, please contact your country's consulate.

TERMS & CONDITIONS

NOTIFICATION:
Information contained in Viking Cruises brochures, website or advertising materials ("Viking Advertising") is not an offer or a contract. The transportation of guests and baggage on all cruise vessels is provided solely by the operator and is governed by the terms and conditions printed on the Passenger Ticket Contract. For complete information on terms and conditions, itinerary, liability of Viking River Cruises Inc. dba Viking Cruises, liability limits and all sections mentioned below, refer to the Passenger Ticket Contract. A copy of each Passenger Ticket Contract named above is available from your travel agent or online at vikingcruises.com via the links just noted.

PAYMENT POLICY:
A deposit for cruise fare of $500 per person is required to secure a confirmed reservation. Promotions may have different payment terms — please refer to the offer. When more than one cruise is booked, deposit and payment policies apply per cruise. The final balance is due no later than 90 days prior to sailing. All reservations are subject to cancellation if payments are not received by the due date. Air seats are limited; airfares are subject to change and are not guaranteed until full payment of air is received. Upon full payment by the participant(s) of the amount specified as the Full Fare (see Invoice), Viking Cruises agrees to arrange for the provision of the services as described in this brochure and as modified by supplementary materials. Upon either booking the cruise, receipt of your deposit or full payment or upon the issuance of the Passenger Ticket Contract directly or by a travel agent or upon receipt of a confirmation letter or final Invoice from us, both the Passenger and the Carrier will be fully bound by all of the terms and conditions of the Passenger Ticket Contract.

RESERVATIONS:
To make a reservation, contact your local travel agency or call Viking Cruises, directly at 1-855-8-VIKING.

PAYMENTS:
Visa, MasterCard, American Express, Discover, checks and Electronic Funds Transfer are all acceptable forms of payments. All payments made by check should be made payable to Viking Cruises. Some credit card companies may impose a "Foreign Transaction Fee" even though your transaction is denominated in U.S. dollars. This is an arbitrary fee that occurs in a small number of cases and accrues entirely to the credit card-issuing bank. Viking does not control these bank-imposed fees nor does Viking derive any benefit from them, monetary or otherwise; we are therefore unable to accept responsibility for the fees.

CANCELLATION POLICY:
For any cruise booking, whether under deposit, partially paid, or paid in full and air-inclusive packages paid in full, the following travel agent or guest-requested situations are considered cancellations and penalties will apply as noted below: changes to departure date; substitutions of itinerary; substitution of another person for original booked guest(s); or changing to a promotional fare. All cancellations must be in writing. For all air-inclusive packages cancelled after issuance of an airline ticket, the air portion of the refund, if any, will be processed only after the return of airline ticket. The following cancellation charges will be assessed for all written cancellations received prior to departure up to the scheduled time of departure.

Cancellation received (Days before departure)	**Following charges will apply**
121 days or more	$100 per person
120-90 days	15% of full fare
89-60 days	35% of full fare
59-30 days	50% of full fare
29-0 days	100% of full fare

Full Fare is defined as the full cost of any cruise, land or air component purchased from Viking.

REVISIONS/CHANGES:
Once a cruise booking has a deposit or air is paid in full, all changes are subject to a $30 charge per change. See prior section under Cancellation Policy for additional details on situations which are classified as cancellations rather than changes.

DOCUMENTS:
Documents will be issued approximately 3 weeks prior to departure. All early document requests will be charged a $25 early processing fee.

TRANSFERS:
Roundtrip airport-to-ship or hotel transfers are only included when air is purchased with a cruise package. Transfers are only valid on cruise departure and arrival dates. If you should choose to make your own air arrangements, transfers may be purchased through Viking Cruises for an additional cost or you may make your own transfer arrangements.

TRAVEL DOCUMENTATION/VISAS:
All guests must have passports valid for six months following disembarkation and necessary visas when boarding. Guests are advised to check with their travel agent or the U.S. Consulate Service to determine which documents they must obtain. If incorrect documents are obtained, guests will be unable to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. Visa kits from an independent third party are provided upon request as a service to guests selecting Russia, China or Egypt destinations. Note: Due to airline security measures, your passport name must match your airline ticket name or you may be denied boarding. Travel documentation and visa requirements applying specifically to ocean cruise itineraries will be indicated as part of Viking Advertising materials and will also be provided to your travel agent upon booking. Viking Cruises accepts no responsibility for obtaining required visas nor for advising guests of visa or other immigration requirements.

CHILDREN/MINORS:
Due to the nature of our cruise itineraries, Viking Cruises does not maintain facilities or services for children. On all cruises and cruise journeys, minors under the age of 18 must be accompanied and share a stateroom with a parent, legal guardian or other responsible adult over the age of 21. We reserve the right to limit the number of minors under the age of 18 years on board. The carrier reserves the right not to accept passengers who are in an advanced state of pregnancy either upon commencement of or at any time during the river or ocean cruise.

DISABLED GUESTS:
You must report any disability requiring special attention while on your Viking Cruises itinerary to Viking at the time the reservation is made. All vessels and motorcoaches are equipped to European standards. Most transportation services, including the vessels and motorcoaches, are not equipped with elevators or wheelchair ramps. Viking will make reasonable attempts to accommodate the special needs of disabled travelers, but is not responsible in the event it is unable to do so nor is it responsible for any denial of services by vessel operators, air carriers, hotels, restaurants or other independent suppliers. We regret that we cannot provide individual assistance to a vacation participant for walking, dining, getting on and off vessels, motorcoaches and other vehicles, or other personal needs. A qualified and physically able companion must accompany travelers who need such assistance and must assume full responsibility for their well being. The guest assumes the full risk of use and of any prohibitions imposed by vendors. Motorized scooters are not typically suitable on international cruises and cannot be accommodated. The carrier reserves the right not to accept passengers who are in an advanced state of pregnancy either upon commencement of or at any time during the river or ocean cruise.

TIPS:
It is customary to give cruise gratuities, subject to your satisfaction of services rendered. Gratuities on board and on land are not included in your full fare.
