

## 2019-20 Ocean Stopover Cities by Itinerary

A stopover is defined as air flights with a stop between the gateway city and the destination. This can be added on the pre-trip, post-trip or both. Below are the approved cities and cost per Viking's policy. Please note that stopovers may limit the choices of carriers offered.

**General Information:** (Fees are listed in USD/CAD and are per passenger)

**Stopover fees:** Range from \$200 - \$300 depending on Stopover city.
