

## Viking Cruises 2019 Deviation Cities by Region

A deviation is defined as air flights with dates that are different than the ship, hotel or extension arrival/departure dates and/or the package city pairs to or from are different. This can be added on the pre-trip, post-trip or both. Below are the approved cities and cost per Viking's policy.

Note: The deviation fee is waived if customers purchase Viking Cruises extra hotel nights.

City Deviation Fee: \$100 USD per passenger
