BARCELONA, SPAIN

MARSEILLE, FRANCE

BARCELONA'S ART NOUVEAU CENTERPIECE. Catalan architect Antoni Gaudí's masterwork, La Sagrada Família Cathedral, has been called both playful and controversial. Yet all agree on its surreal magnificence. Its eight piercing spires soar over Barcelona's skyline and its curvilinear exteriors are captivating. Inside, the artist designed towering columns to resemble trees and branches out of a storybook. You will have ample opportunity to take in all its wondrous detail during an overnight stay.

MARSEILLE: CULTURAL HEART OF THE FRENCH RIVIERA. France's oldest city, Marseille is rich in treasures. Two 17th-century fortresses dominate the historic Old Port, the natural harbor that hosts elegant yachts and other small craft. Its picturesque quay, built on the order of Louis XII and Louis XIII, is one of the world's most romantic walks. Sample the signature bouillabaisse and sip a *pastis* along La Canebière, the historic boulevard often compared to Paris's Champs-Élysées.
