A NOTE TO THE DISCERNING TRAVELER

Dear Traveler,

As a guest in the Owner's Suite, my home at sea, you will stay in our most distinguished accommodations and experience all that it has to offer. This soothing space reflects places I have lived throughout the years. Many of my fondest memories are also represented here, along with a selection of my favorite art, books, music and personal memorabilia. As you explore these special collections, it is my hope you will discover favorites of your own during your journey. I invite you to peruse the following pages to discover the beauty and benefits of the Owner's Suite, and we look forward to welcoming you on board.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Torstein Hagen'. The signature is fluid and cursive, with the first name being more prominent.

YOUR HOME AWAY FROM HOME

Elegant and expansive, the Owner's Suite is the most exceptional residence at sea, a personal space for you to settle in, relax and enjoy during your journey. Its international aesthetic and clean design were created by the same interior architects who designed spaces in such noted properties as the Loews Regency New York Hotel, The Langham in Hong Kong and The Beverly Hills Hotel. Its 1,448 square feet are generously appointed with ample seating and dining areas, perfect for unwinding and sharing the day's discoveries with your fellow travel companions.

A SANCTUARY AT SEA.

With generous amenities, the Owner's Suite is a private haven for relaxation and comfort. Awake in a plush king-size Viking Explorer Bed with crisp linens and soft duvets. Admire a new vista every day through the bedroom's floor-to-ceiling windows. Step out onto your private veranda to embrace your destination.

WARM TOUCHES OF HOME.

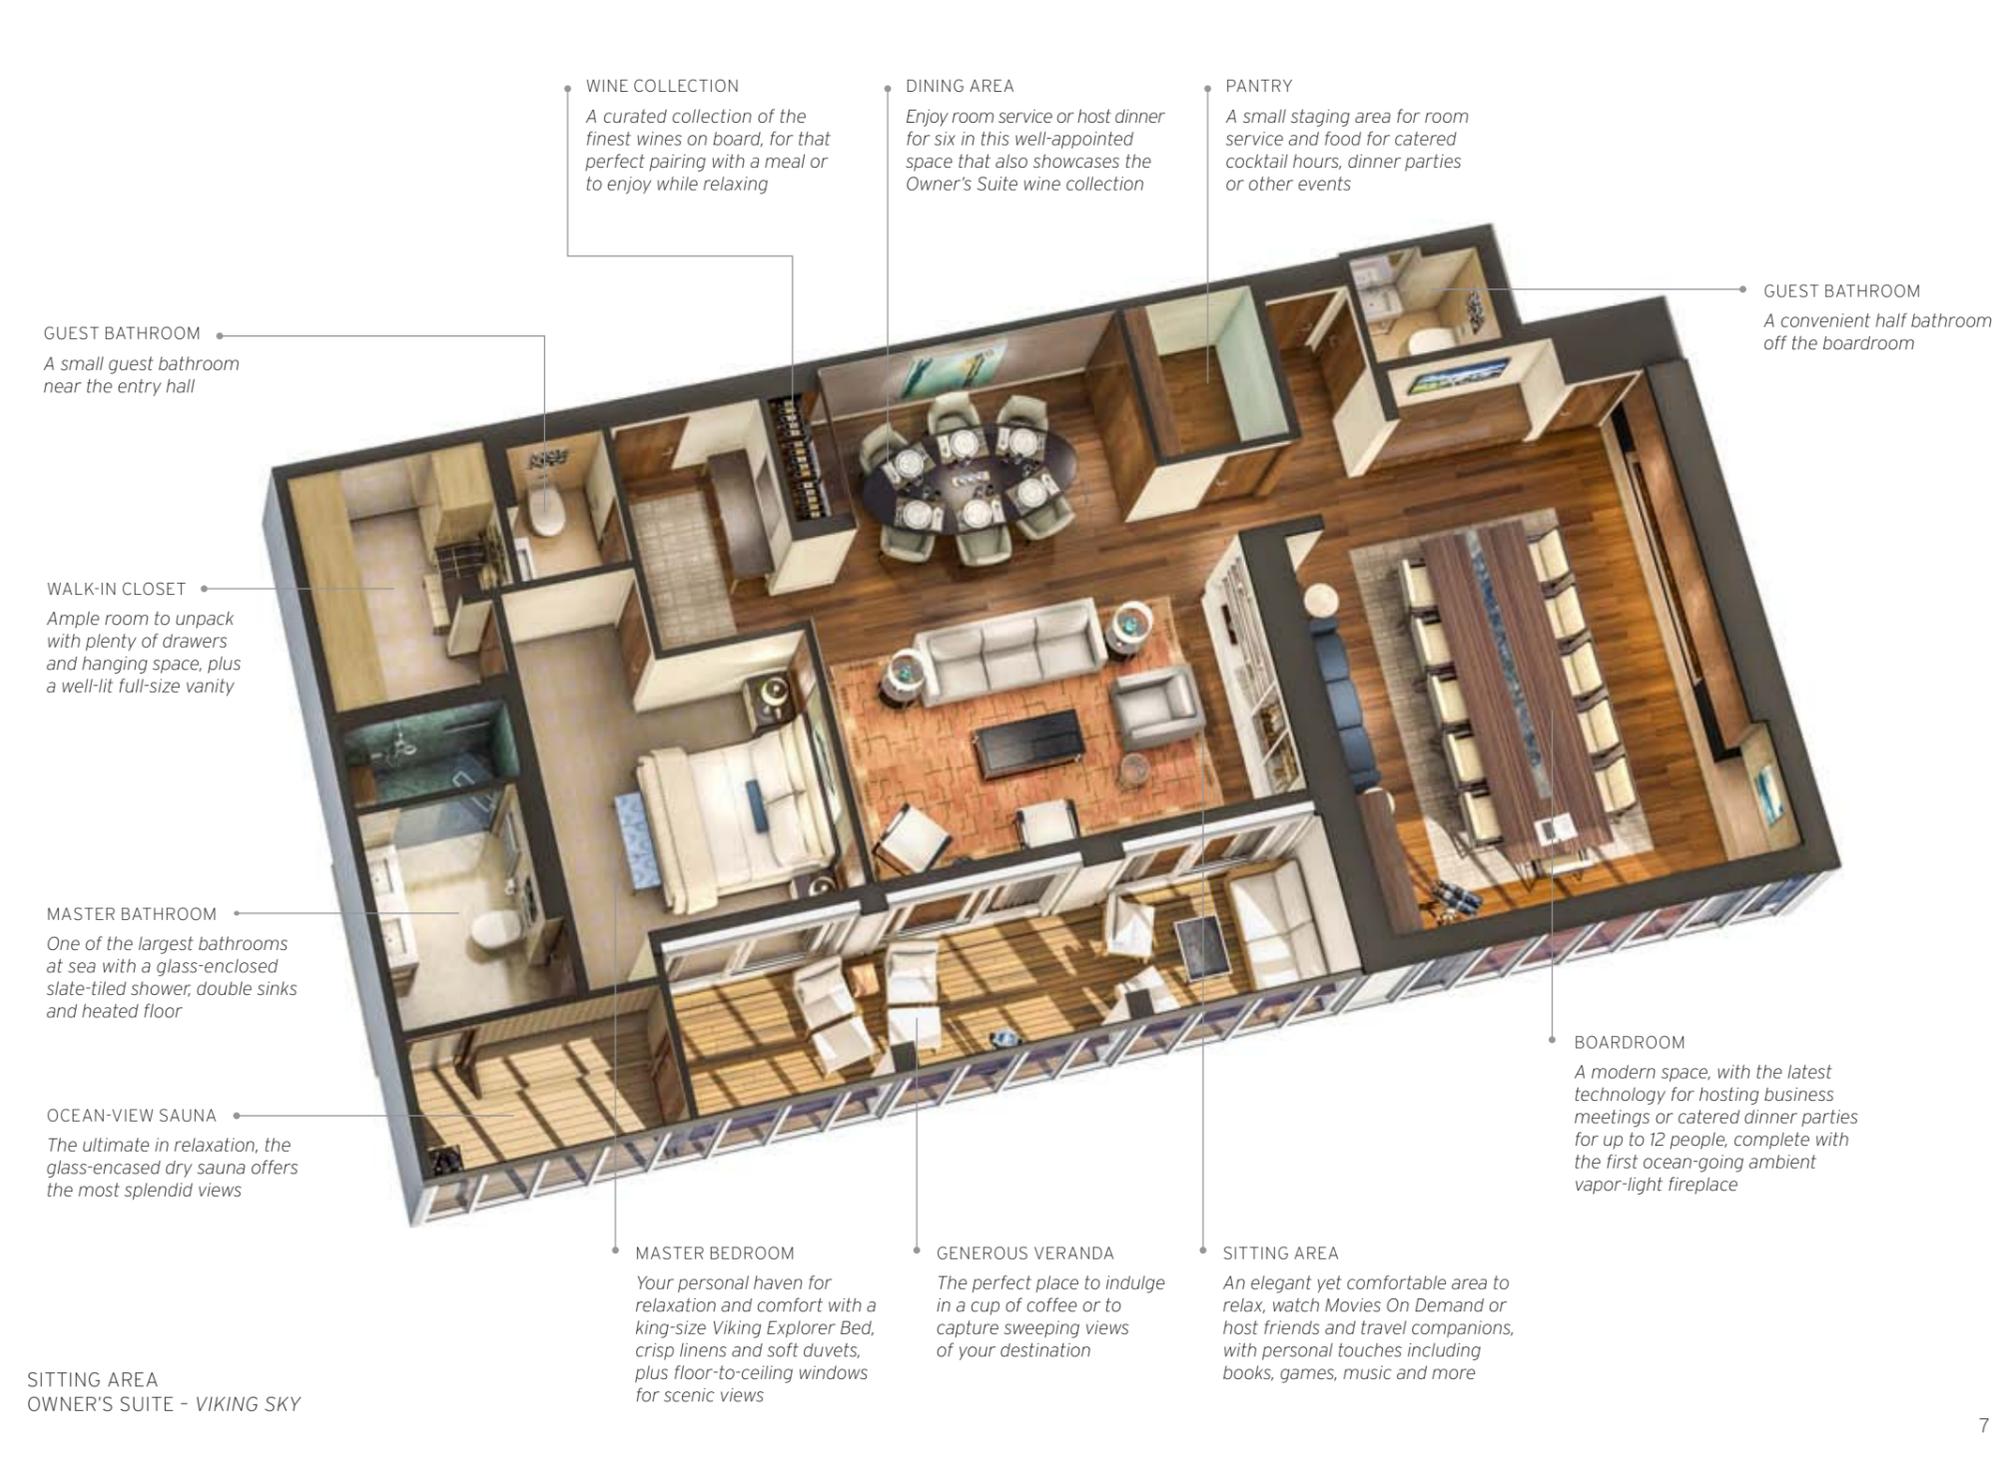

Elegant details are inspired by the traditions and rich heritage of Scandinavia. Bed throws of intricate Marius weave bring the tranquility of a Norwegian farm to you.

THE FINE ART OF DETAIL.

True Scandinavian hospitality has been thoughtfully infused into every detail, from the finest aquavit, the traditional Norwegian herb-infused spirit, to the elegant glassware in which it is served.

An LED television keeps you inspired and informed throughout your journey. Read about your upcoming ports, learn about our onboard services and cultural enrichment activities, view Viking-exclusive videos or settle in to watch a movie or other on-demand programming.

THE LATEST TECHNOLOGY.

A touch-screen console provides remote control of the televisions, as well as the audio and lighting throughout the Suite. A vapor-light fireplace, the first "fireplace" at sea, provides an elegant ambience, set within a privacy glass with views to the Explorers' Lounge, Mamsen's® and Paps.

**FINE CUISINE FROM
THROUGHOUT THE SHIP.**

As Chairman Hagen's guest, you are treated like the owner himself, with a wide array of dining choices. Enjoy room service from all onboard dining venues during open hours, such as fresh Norwegian salmon from The Restaurant or Bisteca Fiorentina, the house special rib eye from Manfredi's.®

VINTAGES AND CATERED AFFAIRS.

Uncork a bottle from the Owner's Suite collection featuring some of the finest wines on board: some popular, some rare and many from the destinations on your journey. Invite friends for a catered event served in your Suite—an intimate meal for six in the dining area or a private dinner party for up to 12 at the boardroom's expansive table.

PERSONALIZED SERVICE.

Indulge in the most attentive service at sea, from breakfast in bed to canapés on request and a daily personalized cocktail hour. Or settle in for a quiet evening watching the scenic coast unfold from your private veranda as you sip champagne and await the arrival of elegant hors d'oeuvres.

NORWEGIAN INSPIRED.

Capturing the colors, textures and patterns of Scandinavian nature, the Owner's Suite embraces the Nordic heritage of Viking Cruises. Thoughtfully designed touches of leather, wood and slate echo the purity of the outdoors.

THE CHAIRMAN'S PERSONAL COLLECTION.

Adorned with mementos and a few of the Chairman's favorite things, the Owner's Suite welcomes you. Family photos reflect cherished memories. Shelves are lined with books, many that, we hope, will feed your intellectual curiosity. And artwork gracing the walls—paintings by Scandinavian artists such as Jakob Weidemann and Odd Nerdrum—that is sure to inspire you.

FAMILY TREASURES.

From backgammon to chess, you can play a few of the timeless games long enjoyed by the Hagen family. Relax as you listen to the selection of personal music CDs—such as The Beatles, Mozart and Greek artist Nana Mouskouri—while sampling some of the treasured vintages from the Owner Suite's wine collection.

UNPARALLELED INDULGENCE.
Pamper yourself in one of the largest bathrooms afloat. The heated floor warms your feet and premium Freyja® toiletries, including an exclusive Nordic bathing kit, greet you in the glass-enclosed, slate-tiled walk-in shower and at double sinks. Enjoy the convenience of anti-fog mirrors and generous storage while treating yourself to luxury robes and slippers.

THE WORLD'S MOST SCENIC SAUNA.
The spacious veranda leads to the dry sauna that comfortably seats two. Its subtly toned blond woods echo those used in The Spa and elsewhere on board, evoking Norway's long-cherished curative traditions. Encased by a glass wall, the sauna is the first traditional Norwegian sauna at sea. It offers the ultimate renewal of body and spirit as splendid vistas and picturesque coasts drift by before your eyes.
