VIKING RIVER AND OCEAN CRUISES 2016 EXCLUSIVE PREVIEW

THE WORLD'S LEADING RIVER CRUISE LINE...BY FAR®

Nothing compares to the river, nor treats you to such a feast of unfolding scenery. One day, a centuries-old village, the next a glorious city. One moment, a field filled with sunflowers, the next, a valley beyond which majestic mountains rise. Around every bend a new sight. In every town, a new discovery.

Nature's great highways, rivers shape the landscape and with it, our very being. Rivers cherish history. Along their banks, great civilisations are born and great stories, too. The river is a place of myths and legends, the muse of musicians, artists and writers. And when we sail its unhurried waters, our own stories come to life.

This is the magic of the river.
And the magic of a Viking river cruise.

NEVER STOP EXPLORING

If travel broadens the mind (and of course it does), there are few more enriching ways to explore than with Viking.

On board, you won't find the all-singing, all-dancing style of entertainment associated with most cruise lines. What you will find are enriching talks, cooking demonstrations and performances that bring each destination to life.

Listen to a performance of Baroque Chamber music. Learn how to make Rudesheimer coffee. Discuss French Impressionism. Be dazzled by Hungarian folk dancers. Artists, performers, historical eyewitnesses and professors from eminent institutions all contribute to a fascinating and entertaining programme that gives you a deeper insight into the places you visit.

Both on board and on shore, you can look forward to a kaleidoscope of experiences that will stay with you long after you return home.

WELCOME ABOARD

Quietly elegant, wonderfully spacious and comfortable, stepping aboard your Viking ship feels like coming home.

On every ship you are greeted with an abundance of space and natural light. Panoramic, floor-to-ceiling windows make the most of the glorious, ever-changing scenery and, on most of our ships, the sleek Scandinavian design blends contemporary style with traditional comforts. Best of all, every stateroom has a window, French balcony or veranda.

Find a comfy chair in the inviting lounge and gaze at the mesmerising views. Enjoy a cocktail at the bar. Curl up with a good book in the library. Head to the Sun Deck for wonderful all-round views and comfort. Listen to a music recital or a fascinating talk on the places you will be exploring. Learn how to cook a local speciality. Your journey brings a thoughtfully planned programme on a beautiful ship that is big on space, and style.

Exploration meets relaxation

Day and night, your Viking ship is a welcoming haven. When evening falls, enjoy a fabulous dinner in the elegant restaurant with its sparkling views over the water. In many places, your ship is moored until late or overnight, and you can step ashore for an after-dinner drink or stroll around town. Or head to the on board bar and lounge, where you can relax accompanied by the soothing sounds of the resident pianist. Catch up on the day's adventures with new friends. Take in the evening air with a night cap on deck. Or, on the Viking Longships, enjoy a selection of films in the comfort of your stateroom. With so many discoveries to be enjoyed on board, every one of our beautiful ships inspires and relaxes in equal measure.

Sweet dreams

Welcome to your stateroom. Elegant, spacious and so very inviting, it's everything you dream it will be. A relaxing sanctuary with all the comforts of a fine hotel and something else, too: a view of the wonderful world through which you're travelling.

Because there's nothing better than waking from a restful night's sleep, your king-size bed and luxurious linens promise sweet dreams. And because a beautiful bathroom is a necessity not an indulgence, your ensuite has a generous walk-in shower and fluffy towels. L'Occitane shampoos and scented body lotions add to the ambience of a boutique hotel.

Good morning or good night, it is simply perfect.

GRAND EUROPEAN TOUR

Along the ribbon of history that is the Rhine, the medieval castle of Marksburg stands proud on the hill. In a centuries-old coffee house in Vienna, the scent of oven-warm cherry cake fills the air. In the narrow, cobbled streets of Bamberg, a handmade glass bowl catches your eye. And in Budapest, in an ancient church, a stained-glass window draws you close. No place holds such a rich history and spellbinding scenery as the heart of Europe. Through every doorway a new discovery awaits.

VIKING OCEAN CRUISES

INTRODUCING THE MAIDEN SEASONS OF
VIKING STAR, VIKING SEA & VIKING SKY

At Viking®, we have always strived to connect our Guests to the most authentic, immersive experiences in each destination by providing the means to explore in comfort. We reinvented the entire river cruise experience, setting a new standard by which you could expect both exploration and enrichment. And now we have taken that same destination focus to the seas.

FROM RIVERS TO OCEANS

Join us as we usher in a new era of ocean cruising by taking the innovative thinking behind our award-winning river cruises and bringing it to the epic setting of the sea. Our new ocean cruises are the ones our river Guests inspired us to create. We asked, listened, observed—and now created the ultimate kind of cruise: one focused on destinations.

In 2015, we are taking destination cruising from the rivers to the oceans with the maiden season of the beautiful Viking Star. And for 2016, because 2015 sold out so quickly, we are adding two additional ships, *Viking Sea* and *Viking Sky*, to meet the overwhelming demand for this new approach to cruising.

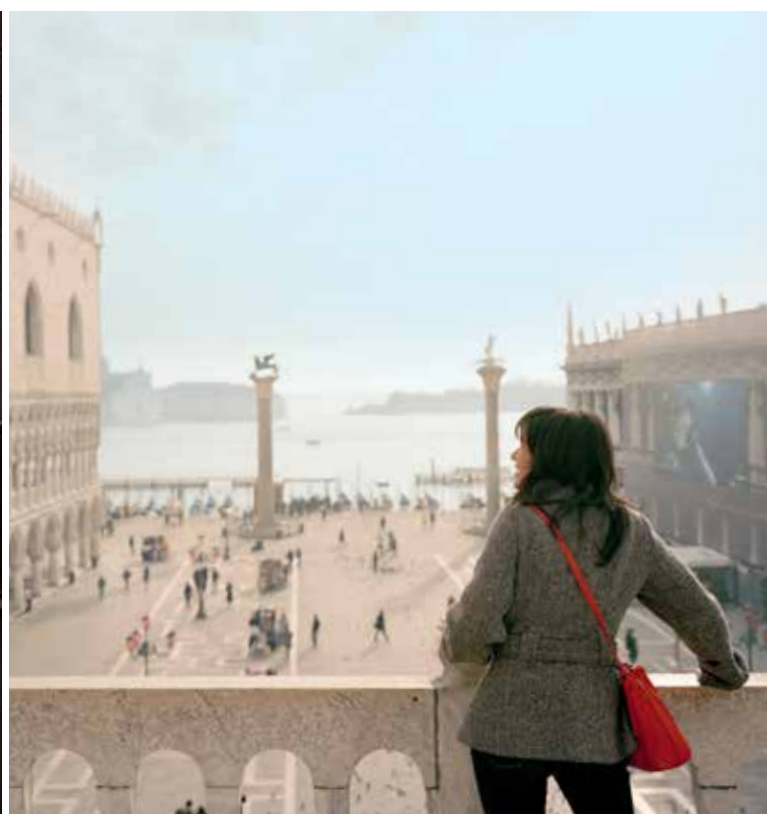

Like our river cruises, our ocean cruises are designed so you can experience destinations up close and in depth. In this way, we've reinvented the nature of the ocean cruise by custom designing itineraries for more time in port so you can really explore—whether you are experiencing excursions that bring history and culture to life or discovering off-the-beaten-path adventures that enrich your journey.

On *Viking Star*, *Viking Sea* and *Viking Sky*, you can expand your horizons with like-minded explorers on state-of-the-art ships. Each is designed with a comfortable intimacy to encourage lifelong friendships and an ease of discovery that larger ships simply cannot offer. So by journey's end, you feel more connected—to your fellow travellers and to your destinations.

Of course, value for your money is also of great importance. At Viking, we believe that your cruise should offer more than just transportation. Like our river cruises, your fare should include all you need—from shore excursions to beverages, meals and Wi-Fi—not surprises. Your ship should be built to *enhance your destination, not be the destination*. And should you choose to explore more, you still have options to customize your experience, from optional excursions and behind-the-scenes Privileged Access tours to the services of our on board Viking Concierge. This is our vision. This is Viking cruising.

CRUISING
FOR THE
EXPLORER
IN ALL OF US

Travel should be so much more than just a trip, and we believe the best way to understand a country is through enrichment. On our cruises, you truly *explore* your destination—through its food, culture, countryside and customs. Perhaps you accompany the ship’s chef on a trip to a local market; go behind the scenes at a famous theatre company; or view private collections and hidden vaults at world-class museums.

We have a history of providing our Guests with a way to get below the surface, not just “check

off” each port. *That’s why our ocean cruises are centred around where you go, not just how you get there*—with handpicked itineraries so you can immerse yourself in history, music, art and cuisine—everything about your destination. In addition, we include excursions led by knowledgeable local guides in every port of call. You learn about the lands to which you travel via enrichment lectures that bring history to life; through cultural adventures; in-depth pre-trip materials; and on-demand programming—all designed to help you experience the most from your travels.

SHIPS BUILT FOR DISCOVERY

Expand your horizons on our elegant ships—intimate and thoughtfully created by experienced nautical architects and designers to enhance your interaction with your destination in every way.

Whether you seek to expand your palate, your knowledge or just your circle of friends with like-minded travellers, we've built our ships with a unique on board experience in mind. From the serene Wintergarden, perfect for a calming cup of tea; to The Spa, a Nordic sanctuary of wellness; to the ship's Library, carefully curated with books to add to your knowledge. Not to mention inspiring, informative talks that help you understand every destination in depth. All set in tasteful, understated elegance. And all designed to deliver a life-enriching experience that stays with you forever.

MUSEUMS . MOSAICS . MARKETS . MESSAGES .

NO TWO DAYS ARE EVER THE SAME

Day 1. Bergen. A mercantile

marvel. Bergen will inspire awe with its majestic mountains and fjords. Walk the historic waterfront of Bryggen, a UNESCO World Heritage Site, to the Hanseatic Museum. You might choose to take the funicular to the summit of Mt. Fløyen to survey views that seem to extend forever; on your return, pass the Bergen Theatre and *Griegshallen*, a modern concert hall.

Day 2. Haugesund. Home of Viking kings.

Haugesund was an important power centre for the Vikings. An included tour highlights the town's typical timber houses; the neoclassical City Hall, a confectionary vision in pink; the Haraldshaugen Monument to commemorate the unification of Norway in 872; and the stunning vistas from Steinsfjellet viewpoint. Meet a local family and truly experience Norwegian life during our home-hosted visit.

Days 3. Cruise the North Sea.

Spend the day exploring your ship. Take in breathtaking views as you enjoy a leisurely swim in the Infinity Pool or luxuriate in The Spa's sauna and Snow Grotto. Enroll in a hands-on cooking class or listen to an enlightening on board lecture about your next destinations. In the evening, sample regional fare in The Restaurant, then toast to your special voyage with a nightcap in the Explorers' Lounge.

Day 4. Southampton. Gateway to London. One of England's most celebrated maritime cities,

Southampton boasts the country's longest surviving stretch of medieval walls. Just up the Thames, London does some boasting, too. Here, in one of Europe's great cultural centres, you'll see the Tower of London, Parliament and Big Ben, Westminster Abbey, Buckingham Palace and St. Paul's Cathedral. Or, opt to explore the standing stones of Stonehenge.

Day 5. Le Havre. Gateway to

Parisian pleasures. From historic Le Havre, a UNESCO World Heritage Site on a Seine River estuary, take a scenic drive through Normandy's countryside. Your destination is the heart of Paris. You'll have time on your own to ascend the Eiffel Tower for sweeping city views, or marvel at the Gothic glory of Notre Dame Cathedral. Alternately, choose to pay homage at D-Day beaches or stroll the pretty quay of the artists' town of Honfleur.

Day 6. Cherbourg. Maritime might on Normandy's coast.

First developed by Vikings and later pivotal to the Napoleonic Wars, Cherbourg is a lovely port city. An included tour highlights its 12th-century abbey, stunning 30-acre gardens of the Château des Ravalets and narrow byways of the old city. See more gorgeous gardens of Normandy on an optional excursion.

Day 7. Cruise the Atlantic. Savour another day of relaxation on board. Melt into a Swedish massage at The Spa or find your inner calm with yoga on The Sports Deck. This

evening, watch a film al fresco at our Main Pool as we skim Atlantic waters under the glimmering stars.

Day 8. A Coruña. Galician glory.

An undiscovered gem on Spain's northwestern coast, A Coruña is Galicia province's richest city and a favourite among local beachgoers. An included tour leads to the San Antón Castle and the Hercules Tower, an ancient lighthouse in operation since the 2nd century. From atop Mount San Pedro, take in spectacular views. Or perhaps you'll opt for an excursion to Santiago de Compostela, the important pilgrimage site.

Day 9. Leixões. A toast to port and Porto.

The port city of Leixões boasts a history that spans 1,600 years. Your included tour takes you to Porto, the charming city for which Portugal's fortified wine is named. You'll see its Clérigos Tower, the

historic quarter surrounding Santa Catarina Street, the neoclassical wonders along Avenida dos Aliados and the São Bento Railway Station, adorned with magnificent tilework. As an option, you can delve more deeply with a Porto walking tour.

Day 10. Lisbon. Ancient seafaring capital. Today, explore the labyrinthine streets of Lisbon's Alfama district and the 12th-century Sé Cathedral. This included walking tour also traces the Tagus River to the Elevador da Glória, a funicular train that takes you to the hilltop suburb of Bairro Alto. Soak up magical views and shop the lively Chiado. Or, consider an excursion through the countryside to Sintra, renowned for its multi-hued palaces and stalwart castles. Or, choose an excursion to one of Lisbon's architectural masterpieces, the ornate Jerónimos Monastery with Tower of Belém, a UNESCO Site.

Day 11. Cádiz. Gateway to the New World. The port of Cádiz offers a wealth of treasures. An included tour leads you through passageways into its elaborate plazas. You'll also stop at the Torre Tavira, once a lookout for merchants, and marvel at the city's baroque, gold-domed cathedral. Alternately, explore the colourful city of Seville, where a grand cathedral, Giralda Tower and the Alcázar Palace were built by the wealth of Spanish kings. Spend free time sipping sherry at a bodega or shopping for local wares.

Day 12. Málaga. The stuff of Andalusian dreams. Birthplace of Pablo Picasso, Málaga is the gateway to Andalucía, the seductive province of rolling hills and endless olive groves. An included tour features the 11th-century Alcazaba Palace, residence of Arabian caliphs, the ancient Moorish Gibralfaro Castle, the Renaissance Cathedral and

Picasso's birthplace. Or, choose to explore the mighty Alhambra Palace in Granada, one of Spain's most treasured sites.

Day 13. Cruise the Mediterranean Sea. During your final day at sea, indulge in amenities you may have missed. Sample global teas in the serene Wintergarden or sip a pint from our craft beer selection.
