NOTE: Every effort has been made to ensure that the information in this booklet is correct and up to date. Viking cannot be held responsible for any damages or losses resulting from errors or omissions. Schedules and activities are subject to change depending upon river water levels, port accessibility and weather conditions; unforeseen river conditions or other circumstances could lengthen or shorten the amount of time you have in any given port. Due to weather conditions, holidays and museum/site closures, we may not be able to follow this sequence and the included features may vary. When possible, we will notify you of changes to your itinerary prior to departure; when not possible, your Program Director will advise you of changes. Costs listed in this booklet for optional tours are approximate; actual costs will be quoted on site. We appreciate your understanding if changes to the listed itinerary need to be made.

Travel Documents

Passports are required for all international travel. Please remember to obtain all required travel documents prior to departure and check your documentation carefully to avoid incurring costs associated with delays, losses or obtaining the necessary documents while traveling.

- When traveling abroad, your passport must be valid for at least six months following your visit.
- If you are a U.S. citizen, no visas are required for this itinerary.
- Non-U.S. citizens, please check your consulate for visa information. NOTE: Canadian citizens and all other non-U.S. citizens (including holders of a 'green card' or other work or residency permit) may need visas for this itinerary. Please check with the embassy or consulate of the country or countries that you will visit.
- Each country, and in many cases, each embassy or consulate, sets its own policies with regards to the issuance of visas. Please allow ample time for visa processing.

Note: Viking River Cruises is not responsible for obtaining required visas nor for advising guests of passport, visa or other immigration requirements. No refunds can be given for unused portions of your cruise or hotel stay which result from delays or disruptions due to missing or incomplete travel documents.

- Viking recommends that you make copies of your passport's picture page, any visas you may need, any medication prescriptions, your credit cards and driver's license, and that you keep these separate from your original documents. This precaution will make it easier to take the necessary steps in case of loss or theft.
- Upon check-in onboard, you will be asked to present your passport to register. As a rule, you will have it returned to you after a few hours. In some countries, you may be asked to leave your passport at the front desk of

the ship for the duration of your cruise, so that authorities may have access to them at any time when they board the ship for routine controls. Should you have any concerns about this procedure, please do not hesitate to address them with your Hotel Manager or Program Director.

Air Travel

Check your air details for accuracy including travel dates and times, first and last names, and gateway cities. If your middle name appears on your passport, it is required by the airline for international travel. Please call as soon as possible if there are any discrepancies, so you will not experience difficulties during your trip. If your air has been booked through Viking, you may reach us at 1-877-523-0580.

We suggest you contact your airline 72 hours prior to your scheduled departure to reconfirm your outbound and return flights. Viking River Cruises is not responsible for notifying guests of changes. Please also verify proper check-in time. Many airlines now provide the possibility of managing your flights online. We suggest that you use this convenient option wherever possible.

If you have air travel booked through Viking, you can go online to vrc.com/myflights and click on LINKS TO VIKING PREFERRED AIRLINES. Click on the airline you are booked with to bring up that airline's booking management page.

If you have an air travel emergency and you have travel insurance, please contact your provider. In case you do not have travel insurance, please call 1-877 523 0576 to reach us.

Verify all checked baggage and carry-on restrictions with your airline. You may find applicable fee schedules using the link provided above.

File a report with the airline before you leave the baggage claim area in the unfortunate event that your luggage is damaged or does not arrive with you. Contact the transfer staff to advise them of your delay by sending one person out to greet them or call the ship directly.

Health and Well-Being

The benefits of complete health and travel insurance always outweigh their cost. Make sure you are informed about the coverage of your health and travel insurance and take out additional insurance if needed.

Please make sure to provide relatives, neighbors, or friends with emergency contact information. Also, please supply Viking River Cruises with needed emergency contacts before you travel. They should attempt to reach you directly by contacting the ship or hotel. The ship's phone and fax systems operate on mobile and satellite systems and may not get good reception throughout the trip. If unsuccessful, your family/friends can call the Viking River Cruises toll free number (1-877-668-4546) during our normal business hours (M-F 5:00 a.m.–9:00 p.m.; Sat 6:00 a.m.-4:00 p.m. and Sun 7:00 a.m.–4:00 p.m. All times are Pacific Time).

Check to ensure that you have provided Viking with your own emergency contact information on your Passenger Information Form (PIF)

Bring copies of all your important insurance documents, emergency contact information, prescriptions, medical records and information about allergies. All needed medications, including prescriptions, in their original, labeled containers should be kept in your carry-on luggage rather than in your checked baggage. Please check the Transportation Security Administration (TSA) website for carry-on restrictions: www.tsa.gov/traveler-information

Viking's tours and cruises can at times be physically demanding. Certain sights and monuments may only be accessible on foot and even getting on and off the ship frequently may include stairs or inclines. As a result, *this itinerary may not be appropriate for guests with certain medical conditions or physical restrictions.*

Elevators and/or chairlifts are not available on all vessels. Some ships have split-level decks and/or significant thresholds that could make movement difficult. Shore excursions may require movement over cobblestones or up and down stairs; accordingly, a physically challenged guest will require the services of a responsible adult since crew availability is severely limited in most circumstances. If you have any questions or concerns, please call us at 1-877-668-4546 and ask for our special needs policy statement.

Each ship is equipped with one or more hand sanitizer dispensers. It is not unusual for people traveling in contained spaces such as airplanes, motor coaches and ships, to be more susceptible to easily transmitted illnesses. The best precaution is frequent washing and disinfecting of the hands. We encourage you to use the dispensers often, and to carry additional small bottles of hand sanitizer for travel away from the ship.

Drink water frequently to prevent dehydration.

Walking tours are often on uneven ground or cobblestones and may include stairs and inclines. In order to help you prepare for your trip and pace yourself during your cruise, we have graded all of the walking tours (as well as the walking portions of combined coach/walking tours) in this booklet using three tiers:

- Level 1 (marked with a①)**:** Gentle stroll for even the most occasional walker. The terrain is flat and easy. The walk (including occasional stops) is normally not longer than 1 hour.
- Level 2 (marked with a②): A slightly more challenging walk. This walk requires a moderate level of physical fitness, and it may include occasional stairs. Tour length (including occasional stops) ranges from 1 to 1.5 hours.
- Level 3 (marked with a③): Robust walk. You need to be a fairly regular walker; the route includes steps and/ or inclines. Tour length (including occasional stops) varies from 1.5 to 2 hours.

Please bear in mind that these are broad guidelines only, designed to assist you in anticipating the day's activity level.

Do not hesitate to discuss the excursions in more detail with your Program Director.

While there is no doctor on board, close proximity to land guarantees medical services can be rapidly obtained.

If you require a special diet such as vegetarian, low-salt, diabetic or low-cholesterol meals, we trust you have already alerted Viking. If you haven't done so, please contact us immediately. We ask that you alert Viking River Cruises one month prior to departure. While on board, please inform your *Restaurant Manager.* Your chefs will make every reasonable effort to accommodate these requests.

A useful resource on questions of health and well-being while traveling is the so-called Yellow Book, issued by the Centers for Disease Control and Prevention. You can order or download a copy at wwwnc.cdc.gov/travel/page/yellowbook-2014-home.htm

Money Matters

Foreign currencies: France uses the Euro. Current exchange rates are available in the financial sections of newspapers or online, at www.xe.com

The most convenient way to obtain foreign currency is from ATMs. These are widely available and conveniently located in large European cities, while somewhat more limited in smaller towns. ATMs typically offer favorable exchange rates compared to local banks. Should you wish to use ATMs, confirm with your bank *prior to departure* that your ATM/credit card and PIN (Personal Identification Number) will work abroad and inquire about possible foreign transaction fees.

Unfortunately, your ship will not be able to change money for you or accept travelers checks for payment of your shipboard account. You may be able to change cash or travelers checks at some hotels, most banks and exchange bureaus for a fee.

MasterCard, Visa and American Express cards are accepted in all countries in major shops, restaurants and hotels as well as to settle your shipboard account. Notify your credit card companies that you will be traveling abroad to avoid inconvenient "holds" on your account should they assume suspicious activity.

Please note: Credit cards with chip-based technology (or "chip and pin," which require both a smart chip and entry of a PIN) have become increasingly common internationally. Unlike American cards with magnetic strips, these cards can be used at dispensing machines, such as train and transit ticket vending systems, and at restaurants where transactions are processed tableside with a handheld device. Please contact your credit card provider for further information.

Most shops and restaurants will generally accept credit cards and cash. Travelers checks are not as widely accepted, while U.S. Dollars generally cannot be used. For

incidentals and small vendors, we recommend getting some local currency.

Currency Aboard Ship & Your Onboard Account. The onboard currency is the Euro. All onboard purchases are billed with a guest check and added to your personal shipboard account. At the end of your trip, you may pay in cash (U.S. dollars or Euros), or by credit card (your bill will be converted at the current exchange rate). Please review your shipboard bill upon checkout so that we can more easily assist with any questions you may have.

Value Added Tax (VAT). Many countries have a national "sales" tax (called VAT) that is levied on most goods and services. In some cases and with the proper documentation from the point of purchase, it is possible to have a portion of this tax refunded to you on items taken out of a country in unused condition. Depending upon flight schedules and timing, it may be possible to receive a refund by applying at the airport kiosk before departure.

Many countries have laws against the purchase/export of certain items, including antiquities, cultural property and certain animal products. Additionally, U.S. laws prohibit the import of certain items. To assist with customs requirements upon your return home, we suggest that you keep purchase receipts as well as a log of purchases made while traveling. You can review current duty free limits as well as restrictions at www.cbp.gov/xp/cgov/travel/

*Items not included in your cruise fare: s*pecialty coffees and/or teas from the beverage menu, bar items, gratuities, laundry, phone calls and other items of a personal nature.

From the Program Director and Hotel Manager to restaurant servers and housekeeping, Viking's onboard staff are 100% dedicated to serving our guests. Tipping on board is at your discretion.

We suggest a gratuity of €2 Euro per guest, per day for your Program Director and €12 Euro per guest, per day which is distributed among the ship's staff.

Additional tipping is at the guest's discretion. You can use these guidelines for other service providers:

- Local Guides – €2 Euro per person, per day
- Drivers – €1 Euro per person, per day

For local guides and drivers, we recommend tipping at the end of each tour in cash.

Most restaurants in the countries through which you will travel include service in their prices. It is customary to round up generously for good service, but standard gratuities are neither recommended nor expected.

Packing Tips

If you are traveling with a companion, pack 'half-and-half' so that in the unfortunate case one of your suitcases is delayed, neither one of you is completely without bare necessities.

Clearly mark your bags. Many bags look alike. A luggage tag in a bright color or a ribbon will make identification while traveling easier.

Again: do not pack medication in your checked luggage.

Dress is casual and comfortable, both on board and ashore. Because the weather can be unpredictable, it is best to bring layers—have a sweater or light jacket for spring and summer, and a heavier jacket for chillier months. Rain can happen at any time, in any season. Your ship has umbrellas you may use. For your stay before and after the cruise, a collapsible umbrella is a "must."

You are likely to do a good deal of walking during shore excursions, so you will definitely want sturdy, comfortable walking shoes; but, since our ships are much smaller than ocean cruising vessels, you do not have to worry about too much walking onboard.

There are no "formal nights" on board, but there is usually a Captain's Welcome Dinner and/or Farewell Dinner; on many itineraries, you will attend a concert, ballet performance or other dressier event. For these evenings, you might like to bring "dressy casual" wear.

Bring:

- Comfortable walking shoes
- Dressier shoes
- Collapsible umbrella/lightweight rain gear
- Lightweight jacket/warm sweater/sweatshirt
- Sunglasses, sun hat or visor and sunscreen

- Toiletries (including medical remedies)
- Warm coat, gloves and water-resistant footwear (for cooler months)

Pack in your carry-on baggage:

- Eyeglasses, contacts, contact lens solution
- Important papers and travel documents
- Camera gear, extra memory cards, extra batteries
- Valuables

Travel Essentials:

- Electric converter/adapter for North American appliances (220V) *(recommended)*
- Travel alarm clock, travel flashlight, binoculars
- Several small bottles of hand sanitizer, antibacterial wipes
- Small calculator for foreign exchange calculations
- Travel journal/notepad and/or reading material
- Small, basic sewing kit/extra buttons (pack scissors in checked bags)
- Address list or pre-addressed labels for sending postcards

Useful Information

Telephone

- From North America, you must dial 011 plus the country code, the area code, and the number you are calling.
- In country, dial zero, the area code and the number you are calling.
- Within the area code, dial the number you are calling only
- Calling from one country to another in Europe, dial the international access code (usually 00), the country code, the area code, and the number you are calling.
- Most mobile phones allow you to place a "+" before the country code, area code and number you are calling and it will automatically connect, regardless of the country or city you are in.

**Please note all international phone numbers in this booklet contain a country code which should be omitted when calling from within the same country.*

Following is a list of useful country and area codes:

- France country code: 33
  - Paris city code: 1
  - Lyon city code: 426
  - Avignon city code: 490

And if you are phoning home from Europe, use the following codes:

- U.S. country code: 001
- Canada country code: 001
- U.K. country code: 0044
- Australia code: 0061

Time Difference

All of the countries you will be visiting are six hours ahead of Eastern Time (ET) most of the year. This may vary by one hour during certain times of the year, depending upon when each country begins and ends Daylight Saving Time.

Your Trip A to Z

Adapters

Most electronic devices have chargers that can accommodate different electrical currents, so you are not likely to need current converters (exceptions tend to be curling irons and other appliances that produce heat). You should bring one or two adapter plugs, which can be obtained at any electronics or travel store.

Air Conditioning

Your ship, the motor coaches used for shore excursions and the hotels you may be staying in are all air- conditioned, but certain historical structures, museums and other buildings you may visit may not be.

Business Hours of Shops & Public Buildings

While many European countries have liberalized their laws governing the business hours of shops, post offices, banks etc., most shops and all public buildings and banks are closed on Sundays, with the exception of stores located in heavily visited areas, museums and railway stations. In addition, many businesses in smaller towns have a midday break of one or two hours.

Check-in Time On Board

While the crew is preparing staterooms for arriving guests, you can relax in the ship's lounge or leave your luggage with the staff and explore the embarkation city on your own. You will be given access to your stateroom mid-afternoon, at approximately 3:00 p.m. If you arrive during lunchtime, a light lunch buffet will be available in the lounge.

Coaches

Motor coaches used for transportation during shore excursions are rarely more than a few years old, and Viking requires all of them to have working restrooms for your convenience. Distance drives are rarely more than one hour to two hours, while most driving is interrupted by frequent stops, as is usual on sightseeing tours.

Concierge Service

A special event, hard-to-find tickets for the opera, a visit to a special bookstore, a few hours in a soothing and relaxing spa, a revitalizing massage? For all of your personal requests, our concierge will assist you in making the most out of every single port, helping you to shape your experience according to your own individual expectations – because one size does not fit all.

Dress Code

Dress aboard and ashore is casual; we suggest you dress comfortably and bring sturdy walking shoes for sightseeing excursions. Dinner attire is "evening casual," and the Captain's Dinner is dressy but not formal.

Electricity

Onboard electrical current is 220V/230V. Some of our vessels have one or more 110/115 V sockets. See also: Adapters

Emergencies

While our vessels do not have physicians on board, a number of each ship's officers undergo mandatory CPR and First Aid training. There is an emergency call button in your cabin, and the front desk has an index of physicians and hospitals along the cruise route. These providers routinely speak English. Should you require additional assistance or help translating when visiting a physician or a hospital, the ship will assign a staff member to accompany you.

Exercise

If you have an active lifestyle, you can choose those shore excursion alternatives (see shore excursions) that provide more exercise, or ask your concierge to make an appointment at one of the shore side gyms we work with.

Food & Drink

Breakfast, lunch and dinner are served in the ship's restaurant. Alternatively, you may have breakfast or lunch in the casual atmosphere of the lounge, or take a plate up to the sundeck. Additionally, the Aquavit Terrace offers a bar-style menu several nights per cruise. Seating is open —no table reservations are accepted. Room service is not available.

While meal times may vary depending upon shore excursions and sailing schedules, they are generally as follows:

Breakfast:	7:00 a.m. – 9:30 a.m.
Lunch:	12:00 p.m. – 2:00 p.m.
Dinner:	7:00 p.m.

Hot coffee and tea from the coffee station, as well as bottled water in your stateroom are complimentary throughout your voyage. Soft drinks, wine and beer are complimentary during meal times; a charge applies outside of these hours.

We encourage you to bring local wines on board. Our Restaurant Manager is happy to open your bottle – no corkage fees are charged.

We offer our all-inclusive Silver Spirits premium beverage package, which covers a selection of premium local wines, beer, espresso drinks, soft drinks and juices for the entire duration of your cruise, plus an open bar during the bar's operating hours and a bottle of sparkling wine—all for one package price. Visit the reception desk when you begin your cruise for more information if you have not already booked your package with your cruise.

Front Desk

The ship's reception is staffed 24 hours per day. During the night, our night auditor goes on regular inspection rounds, but is never gone for more than 10-15 minutes.

Hair Dryer

All staterooms on our ships have hair dryers for your use, as do the hotels you may be staying in. In the rare event you do not find a hair dryer in your hotel room, you can obtain one at the front desk.

Internet

All of our ships offer complimentary internet access. You may use your own laptop or one of the ship's computers. Please note that shipboard service is better in some areas than in others and may also depend on weather conditions. The internet connection

functions via cellular service or satellite, and there may be times when reception is not possible and/or the connection is quite slow. Please ask for assistance and information about service on your cruise at the ship's reception desk.

Ice Machine

You may serve yourself at the ship's ice machine. An ice bucket is in each stateroom.

Laundry Service

For a fee, we can launder and iron your clothes. Dry cleaning is available only during hotel stays.

Library

Your ship's library offers a selection of books with a focus on the history, geography, biology and current affairs of the countries through which you travel on your cruise. Through Viking's website, you can also purchase books about your cruise from our partner, Longitude Books (online at www.longitudebooks.com/).

Language

On board, your fellow guests, your Program Director, key staff and (on shore) tour guides all speak English. In port, you will encounter French, in numerous local accents and dialects. Bring a small travel dictionary for some key words – your efforts will be greatly appreciated, while at the same time, you will find many people have a reasonable command of the English language.

Mail

While some travelers may enjoy shopping for interesting stamps at a local post office, you may choose to hand in your cards or letters at the front desk, with or without stamps. In the latter case, a fee equal to the postage needed will be added to your stateroom account.

Medical Services

See: emergencies

Mooring and Docking Facilities

In some ports, ships may be required to dock alongside each other. Viking owns many of the docking facilities in the ports that we visit, and here and elsewhere we do our best to arrange the most convenient docking available. However, occasionally, your view may be blocked, and you may need to pass through other ships when going ashore. Similarly, guests of other vessels may pass through a Viking vessel while docked.

Museum and Site Closures

Public holidays, both local and national, may have an impact on the opening hours of shops, museums and sites. You may learn about these holidays on websites like Wikipedia. Where known holidays prevent us from offering your regular included tour, an alternative will be offered. These instances are noted on our website and in our River Cruise Atlas™.

Nautical Terms & Conventions

When reading descriptions of points of interest along the river, left and right side depend on the direction in which you travel. However, the left bank of a river is *always* the side that appears on the left when traveling *downriver*. In other words, if you are traveling *upriver*, the left bank will be on your right, and vice versa.

Some other useful terms:
Aft: the rear of a ship
Bow: the front end of a ship
Bridge or wheelhouse: the navigational command center of the vessel
Galley: the ship's kitchen
Port: left side of the ship, when facing forward
Starboard: right side of the ship when facing forward
Stern: the 'tail end' of a ship

Onboard Boutique

Each ship has an onboard boutique area offering Viking River Cruises logo items, souvenirs and select toiletries.

Optional Excursions

While the featured excursion in each port is included in your cruise fare, we will occasionally offer additional options that you may choose to participate in. These excursions cater to interests not everyone on the ship may share and thus, they allow for individualizing your cruise experience. The approximate prices of these excursions may be found in the itinerary part of this booklet.

Questionnaire

We pride ourselves on providing you with a high standard of excellence in every aspect of your cruise experience. Your comments and suggestions are valuable tools for us to find ways to make your next experience with us even more enjoyable. Our questionnaires will be distributed at the end of the cruise. We kindly ask that you complete both forms and return them to the reception desk prior to disembarkation. Viking also provides cards to gather feedback on local guides after each excursion. You may request these at the reception.

Registry

Viking Spirit is registered in Germany. Viking Hermod is registered in Switzerland.

Safes

Please keep all jewelry and valuables in your stateroom safe. Their use is complimentary.

Safety On Board

Your safety and well-being is our foremost concern. On the first or second day of the cruise, the standard safety procedures, including evacuation scenarios and life vest use will be explained to you. Viking's vessels all must adhere to the strict safety standards of the European Union, as well as each individual country's safety laws and regulations. Nautical authorities can and do board the ship for unannounced safety inspections, and all our captains must adhere to strict regulations, including those governing working hours. In many cases, a relief captain will be on board to assist the captain and the first officer.

Shipboard Credit

A shipboard credit can be used towards bar, gift shop and shore excursion purchases; not applicable to gratuities. Only valid on vessels operated by Viking River Cruises; may not be redeemed on Egypt, Portugal, and Vietnam cruises. No cash value and are non-transferable. Other restrictions may apply.

Shore Excursions

Daily shore excursions allow you to explore the sights, sounds, scents and flavors of each port we visit. Each port features at least one included program, and where possible, we offer you the opportunity to explore a city or town in a variety of different ways. You may want to take it easy one day, or spend more time on shopping or independent exploring. At other times, you may want to extend your guided tour a little further. Viking offers a number of these alternatives in selected ports.

Smoking

Smoking is allowed on parts of the sun deck. In the interest of safety and your fellow passengers, smoking is not allowed indoors or on stateroom balconies. In addition, we may ask that you refrain from smoking in certain areas that experience high passenger traffic.

Special Occasions On Board

At Viking, we enjoy celebrating every day of your vacation with you. Should you have special occasions like a birthday or an anniversary that you want to acknowledge, we generally ask you to notify us in advance. In case you have not done so, feel free to inquire with your Program Director or Hotel Manager, who will do their best to accommodate your wishes.

Stateroom Amenities

In your stateroom, you will find a television, a telephone, complimentary bottled water, a folder to keep your daily programs and other handouts organized, l'Occitane bathroom amenities such as soap, shampoo, lotion, conditioner etc., that are replenished as needed. Should you need anything else for a comfortable stay, do not hesitate to contact the front desk.

Sun Deck Access

Weather permitting, the ship's sun deck is its most popular area when the ship is sailing. During passage through locks or under low bridges, it may be necessary to close the sun deck for passenger use. We invite you to use the other outdoor areas during these times. In the interests of safety, sun deck closures are rigidly enforced.

Telephone Service

Each stateroom has its own telephone, and charges will be placed on your shipboard account. The phones function via satellite and there may be times when reception is not possible. Telephone service is comparatively expensive and you may prefer to use your own personal devices to make international calls instead.

Television

All staterooms have a color television. Depending upon satellite reception, programming includes CNN, Fox Movies, MSNBC and BBC World News along with local channels.

Viking Daily & Onboard Activities

The onboard daily newsletter, Viking *Daily* features information about daily activities, shore excursions and tour departure times, along with other interesting tidbits of information about the areas through which you travel.

Viking Service Guarantee

It is our hope that you find your cruise to be enjoyable from the very beginning. However, should you be dissatisfied with our service upon first check-in (hotel or aboard ship) including food, personnel or shore excursions, you must notify us within 24 hours of the start of your cruisetour. If your first check-in is aboard ship, notify your Program Director; if you are in a hotel, contact your Viking Host. We then have 24 hours to correct the situation. In the unlikely case that a solution is not possible, you can then depart as soon as possible and we will refund 100% of your cruise price. We can assist with any reservations to leave, but costs for your return trip and/or alternate travel plans are your responsibility.

Visitors

For security reasons, only manifested passengers are allowed on board. We regret that we cannot host visitors.

Water Levels

All rivers that you will travel on have shipping channels that are maintained by national nautical authorities. On rare occasions, river travel may be impacted by water levels in these shipping channels. Usually, minor adjustments in the ships cruise schedule will allow safe and unimpeded passage – even under challenging circumstances. Precipitation patterns in Europe are relatively even throughout the year and there are no ‘wet’ or ‘dry’ seasons, which makes long-term predicting of high or low water impossible. Luckily, major disruptions are rare exceptions, and the vast majority of our cruises take place exactly as planned.

Wheelhouse

During your cruise, a visit to the wheelhouse is normally scheduled. At this time, you can ask your captain any questions you may have, and have a chance to observe him at work. We ask that you do not enter the wheelhouse outside of these tours, unless explicitly invited by the captain or first officer.

Only such personal wearing apparel, effects and gifts as are necessary and appropriate for the voyage may be brought on board by you. You may not take on board firearms, controlled or prohibited substances or inflammable or hazardous items, or any contraband prohibited by local, state or national law. Should you desire an extension of our liability of US$500.00, you should declare the true value of the property and pay to us an amount of money calculated at 5% of the true value declared, up to US$5,000.00. Liability will then be extended to the amount of the true value declared but in no event exceeding US$5,000.00. A copy of the Athens Convention and CLNI will be provided by Carrier upon written request.

d. In the event it is determined that we, as Carrier, are not entitled to all of the benefits of the Convention, including the limitations stated above, NO SUIT SHALL BE MAINTAINABLE AGAINST US UPON ANY CLAIM IN CONNECTION WITH THIS TRANSPORTATION OR PASSENGER TICKET CONTRACT RELATING TO CABIN BAGGAGE OR OTHER BAGGAGE OR ANY PROPERTY UNLESS WRITTEN NOTICE OF THE CLAIM WITH FULL PARTICULARS SHALL BE DELIVERED TO US OR OUR AGENT AT OUR OFFICE AT ANY ADDRESS SET FORTH HEREIN WITHIN THIRTY (30) DAYS AFTER TERMINATION OF THE VOYAGE TO WHICH THIS PASSENGER TICKET CONTRACT RELATES AND IN NO EVENT SHALL ANY SUIT FOR ANY CAUSE AGAINST THE CARRIER WITH RESPECT TO CABIN BAGGAGE OR OTHER BAGGAGE OR PROPERTY BE MAINTAINABLE UNLESS SUCH SUIT SHALL BE COMMENCED WITHIN ONE (1) YEAR AFTER THE TERMINATION OF THE VOYAGE. In any case, where the time fixed in this Passenger Ticket Contract for the commencement of suit is less than that allowed by applicable law, such time is hereby extended so as not to exceed the minimum, lawful time.

e. Notwithstanding the foregoing, we shall in no event be liable to you in respect of any occurrence prior to embarkation or after disembarkation from the Ship named herein or substitute, except for transportation by water which is carried out by means of a conveyance provided by us including the Ship and its tenders or, with respect to any baggage, when the same is in our custody at any shoreside installation. We shall in no event be liable for the loss of or damage to cash, negotiable securities, gold, silverware, jewelry, ornaments, works of art or other valuables unless the same have been deposited with us against receipt for the agreed purpose of safekeeping. In the event of such a

deposit, our liability for loss or damage thereof shall be limited to US$100.00, or in accordance with subpart (a) herein, whichever is less, unless value exceeding that amount be declared in writing. If the declared value exceeds US$100.00, we are entitled to charge 5% of value declared, up to US$5,000.00 Upon payment of this charge, liability will be extended to the true value declared but in no event shall we be liable for an amount exceeding US$5,000.00.

The Carrier is not responsible for any conduct of independent contractors, including those who may assist in or operate shore excursions.

g. If any claim is brought against us in a jurisdiction where any of the applicable limitations and exemptions contained in the foregoing subparagraphs are legally unenforceable, then in such event we shall not be liable for death, injury, illness, damage, delay or other loss or detriment to person or property arising out of any cause of whatever nature if not shown to have been caused by our negligence.

If you are so challenged, you must bring and be responsible for all necessary items related to your said condition. If

any such condition arises after the cruise is booked, you are required to advise us in writing immediately. Failure to so advise us shall release us and all professional personnel aboard the Vessel from any liability related to such condition or its treatment.
